Best Lawyers announces Global Business Edition

AIKEN, S.C., Sept. 12, 2018 -- *Best Lawyers*[®], the oldest and most respected guide to the legal profession, is pleased to announce the third annual *Global Business Edition*. The business edition highlights more than 30,000 lawyers recognized by Best Lawyers for their top legal talent across 74 countries worldwide.

This year's *Global Business Edition* covers topics that are common concerns across a number of sectors, including technology, finance, and law, internationally.

The cover story by John Ettorre details the challenges faced by supply-chain management of material goods and how companies can conduct due diligence to protect themselves against problems down the road.

The most recent "Law Firm of the Year" awards from 13 countries are included in the *Global Business Edition*. "Law Firm of the Year" awards recognize a single firm for its work in a specific legal practice area. Awards are determined based on a handful of factors including: lawyer feedback, size of the firm, historical analysis of the firm's "Lawyer of the Year" awards, and the firm's overall scope and areas of expertise.

Other featured topics include: legal translation services, cryptocurrencies, environmental-and social-governance principles (ESGs), and more.

Read the digital publication and search *Best Lawyers* by lawyer's name, firm, region, and/or practice area, by visiting www.bestlawyers.com.
