Nominations for The Best Lawyers in Russia are now open

AIKEN, S.C., Jan. 22, 2018 -- *Best Lawyers*[™], the only purely peer-review[™] guide to the legal profession, is currently accepting nominations for the 10th Edition of *The Best Lawyers in Russia*.

Nominations can be submitted by the general public, clients, other practicing attorneys, and marketing teams. We only ask that lawyers not nominate themselves. All lawyers included in the previous edition of *The Best Lawyers in Russia* are automatically nominated in their listed practice area for the 10th Edition.

After nominations are complete, attorneys are divided by geographic region and practice area. They are evaluated by their peers on the basis of professional expertise and undergo an authentication review to make sure they currently practice and are in good standing with their local bar associations.

“Nominating qualified attorneys is the first step in acknowledging the accomplishments of exceptional legal professionals,” said Best Lawyers CEO Steven Naifeh.

Nominees are recommended to be in practice for at least 10 years. It is also in the nominator's best interest to only submit nominations for practice areas in which the attorney specializes.

The redesigned Best Lawyers website allows the public to easily enter information for eligible attorneys using the online nomination form. The nomination period ends February 28, 2018.

Search the current edition of *The Best Lawyers in Russia* by attorney's name, firm, region, and/or practice area, by visiting www.bestlawyers.com.
