Nominations for The Best Lawyers in the United Kingdom are now open

AIKEN, S.C., Jan. 15, 2019 -- *Best Lawyers*™, the only purely peer-review™ guide to the legal profession, is currently accepting nominations for the Eighth Edition of *The Best Lawyers in the United Kingdom*.

Nominations can be submitted by the general public, clients, other practicing lawyers, and marketing teams. We only ask that lawyers not nominate themselves. All lawyers included in the previous edition of *The Best Lawyers in the United Kingdom* are automatically nominated in their listed practice area for the eighth edition.

After nominations are complete, lawyers are divided by geographic region and practice area. They are evaluated by their peers on the basis of professional expertise and undergo an authentication review to make sure they currently practice and are in good standing with their local bar associations.

“Recognition by Best Lawyers is purely peer review. Nominating qualified lawyers is the first step in our process in identifying top legal talent,” said Best Lawyers CEO Phil Greer.

Nominees are recommended to be in practice for at least 10 years. It is also in the nominator's best interest to only submit nominations for practice areas in which the lawyer specializes.

The redesigned Best Lawyers website allows the public to easily enter information for eligible lawyers using the online nomination form. The nomination period ends 18 February 2019.

Search the current edition of *The Best Lawyers in the United Kingdom* by lawyer's name, firm, region, and/or practice area, by visiting www.bestlawyers.com.
