Best Lawyers Announces “Litigation Issue” Business Edition

AUGUSTA, Ga., Aug. 29, 2019 -- *Best Lawyers*®, the oldest and most respected guide to the legal profession, is pleased to announce the inaugural “Litigation Issue” Business Edition. The Business Edition features an impressive list of litigation lawyers all recognized in the 26th Edition of *The Best Lawyers in America* (2020).

The publication highlights litigators from 11 different practice areas, representing both plaintiffs and defendants. Litigation practice areas included in this issue are Bankruptcy, Bet-the-Company, Construction, ERISA, Labor and Employment, Mass Tort Litigation / Class Actions, Personal Injury, Real Estate, and Trusts and Estates.

Editorial content in the publication focuses on a variety of newsworthy topics, including the opioid crisis in the United States, the complexities of estate planning, personal injury litigation stemming from ride-hailing services, and other relevant issues.

The “Litigation Issue” Business Edition features a cover story authored by recognized lawyers Peter McGlynn and Robert Stetson, about a corporate veil-piercing case brought on by a multibillion-dollar global company. Details regarding one of “the most complex and least understood legal concepts in American jurisprudence,” can be found in the issue.

Also included in the publication is an at a glance guide showcasing the number of recognized lawyers by litigation practice area, state, and the number of “Lawyer of the Year” honorees in each practice area.
