## Best Lawyers Announces “Women in the Law” Business Edition

AUGUSTA, Ga., April 8, 2019 -- *Best Lawyers*<sup>®</sup>, the oldest and most respected guide to the legal profession, is pleased to announce the fourth annual “Women in the Law” Business Edition. The business edition celebrates the accomplishments of women in the legal industry and includes every female lawyer recognized in the 25<sup>th</sup> (2019) Edition of *The Best Lawyers in America*.

The “Women in the Law” Business Edition features editorial content written by all female contributors focusing on a variety of topics, including: obsessive-compulsive and anxiety disorders in the legal industry, tax write-offs on #MeToo settlements, and more.

This year’s cover story includes an interview with Congresswoman Lizzie Fletcher. Before becoming a member of Congress, Fletcher was a successful litigator and was recognized by Best Lawyers for her work in commercial litigation from 2016 to 2019.

The publication highlights 39 female “Lawyer of the Year” honorees who have received a “Lawyer of the Year” award three or more times. These accomplished lawyers specialize in corporate-facing practice areas, such as appellate practice, bankruptcy and creditor debtor rights, and corporate law.

Also included in the publication is a special section highlighting all lawyers recognized for their work in family law, including collaborative family law, arbitration, and mediation, in the 2019 Edition of *The Best Lawyers in America*. Additionally, the special section details how family law has changed in recent decades and how this change affects the lawyers who specialize in it.
